

Randee Herford

Accountant

Randee Herford supports the Vice President of Finance and Administration with business planning, financial management, and reporting for Westervelt Ecological Services and for its projects in the Western Region, Rocky Mountain Region, and Southeastern Region.

Mrs. Herford is a licensed Certified Public Accountant (CPA). Prior to joining Westervelt, she spent over 4 years in public accounting as an external auditor specializing in compliance audits, including governmental entities, non-profits, and employee benefit plans. She earned a Bachelor of Science degree in Accountancy from California State University, Sacramento, where she graduated summa cum laude.
